My dear Sir:

Complying with your request of the 18th, I am enclosing you herewith and sending by registered mail, the following coins of the Denver Mint.-

"	10¢ new type.	"	50¢ " "

"	50¢ new "		

No gold has been coined by this Mint since 1914.

No dimes of the old type or quarters of the new type or half dollars of the old type were coined in 1916.

It may be interesting for you to know that the new dimes of 1916 were worked on only one day, when 260,000 were turned out.

You may make at your convenience remittance for the face value of the above coins, with .10 added for registration.

Yours very truly,
